

Cumnor Parish Council
Review of Effectiveness of Internal Audit 2022/2023 Meeting the Standards

Cumnor Parish Council is responsible for ensuring that its business is conducted in accordance with the law and proper standard and that public money is safeguarded and properly accounted for and used economically, efficiently and effectively. In discharging this overall responsibility, the Council is also responsible for ensuring that there is a sound system of internal control which facilitates the effective exercise of the Council's functions and which includes arrangements for the management of risk and for reviewing the effectiveness of internal audit.

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Council's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised and to manage them efficiently, effectively and economically.
